

# Are you headed in the right direction for locating construction projects?

With ePlan, you will dramatically reduce labor costs, travel, and down time associated with finding jobs for estimation and bidding. There are proven tips, tools, and tactics to help you “zero” in on more bidding projects for your company’s trade. ePlan also has the largest number of posted projects for the States of Missouri and Kansas, including parts of Western Illinois. Here are just some of the features available...

- View HUNDREDS of suitable projects without leaving your desktop!
- Order FULL SETS of plans and specifications online, anytime!
- Daily notifications on new projects, addenda and bid results emailed to each user.
- Keyword search all specifications for the information YOU need!
- FREE iPRINT feature – print full scale at your office or job trailer!
- FREE downloads of plans and specs right from the web!
- FREE sheet saving capability of documents straight to your desktop!
- Don’t have a plotter?...ePlan can provide one with your subscription!
- Perform ON-SCREEN take-offs with FREE TOOLS by OnCenter!
- 24-HOUR INTERNET ACCESS with no special software to install!
- An EASY-TO-USE system anyone can operate!
- Many more features....
