

Are you headed in the right direction for locating construction projects?

With ePlan, you will dramatically reduce labor costs, travel, and down time associated with finding jobs for estimation and bidding. There are proven tips, tools, and tactics to help you “zero” in on more bidding projects for your company’s trade. Here are just some of the features available...

- View THOUSANDS of suitable projects right from your desktop!
- Daily notifications on new projects, addenda and bid results!
- Keyword search all specifications for the information YOU need!
- FREE iPRINT feature – print full scale at your office or job trailer!
- FREE downloads of documents straight to your desktop!
